

NITC Education Council Priorities

The sector priorities of the Education Council of the Nebraska Information Technology Commission are to provide recommendations that support:

- **Providing an infrastructure that will permit all citizens of Nebraska to have access to the same educational experiences, regardless of location;**
- **Identifying and facilitating diverse training opportunities;**
- **Ensuring life cycle funding;**
- **Addressing the needs of the learner;**
- **Coordinating statewide education I.T. efforts and resources, including collaboration with public and private entities;**
- **Pursuing leading edge technology applications.**

The Education Council Sector Priorities were approved at the June 29, 1999 NITC (Nebraska Information Technology Commission) meeting.
