60 SECONDS. 3 QUESTIONS. IT'S THAT EASY.

The pandemic has increased our reliance on the internet and highlighted the coverage gaps in our communities. The information gathered from the speed tests will only be used to guide efforts to enhance and expand Nebraska's internet capabilities. No information is stored other than speed test results and location to provide geographical data.

The data collected will be used to develop a better understanding of Nebraska's internet capabilities and to influence stakeholders, investors, & service provider's decisions in enhancements and expansion to quality internet to supporting remote work, distance learning, telehealth, entertainment and everything in between.

If you don't have access to internet at home, let us know. Use a device anywhere to enter your address, selecting "NO AVAILABLE SERVICE," or call us at 308.455.4776.

The NEBRASKA BROADBAND SPEED TEST is funded through a U.S. Economic Development Administration CARES grant.
