Total Number of Providers Submitting to Immunization Registry	450**	750	532*	750
Number of Providers Submitting to Immunization Registry Electronically	136	436	193*	436

*It is important to note that this is the number of “distinct” connections we have with facilities/vendors and some of these facilities/vendors send for multiple facilities/locations. For example – Mollen Immunization Clinics is counted as “1” connection but they send for all WalMart and Sam’s Club locations across the State of NE. Same thing for Shopko – they are 1 connection but send for all locations in NE. Some vendors send data for multiple participating clinics – they may be listed as 1 “connection” but send for multiple facilities.
