Subject: Community Technology Fund Review Process

Applications for the Community Technology Fund are due Feb. 15. We received 88 letters of intent and expect about 60 applications. Reviews of applications will be done Feb. 25- March 15. The attached spreadsheet lists potential reviewers for the expected applications. Some adjustments to the assignments may have to be done to this list. A list of the letters of intent with links to information on the proposed projects is available at <http://www.nitc.state.ne.us/cc/grants/2002/ctf2002intent.htm>.
